Jakarta, Indonesia | adinda.azhar@binus.ac.id | IG: @adindaa__azhar

I'm a driven and creative Visual Communication Design student with a strong interest in graphic design, 3D modeling, illustration, and music. I'm constantly seeking new challenges and opportunities to enhance my design skills. My goal is to become a versatile designer who can contribute to various creative projects, from branding and marketing to product design and animation. I believe my passion for design, combined with my technical skills, will allow me to make a significant impact in the industry.
